November 17, 2020

Dear Families and Staff of Peotone 207-U,

After much discussion at last evening's school board meeting, we will be extending the current temporary move to full-remote instruction through the month of December. This was an extremely difficult decision, as there is no argument that the best place for students to learn is at their school building. Unfortunately, the back and forth of students and staff needing to quarantine has created much inconsistency with teaching and learning. We will finalize the return date to in-person instruction at the Board of Education meeting on December 21.

With the holiday season upon us, and the likelihood that families will be traveling and gathering, the option to extend the move to provide full-remote instruction will provide greater consistency to our students and staff. We felt it was important to give parents enough notice to help avoid too much disruption at home.

We would still ask that during this closure, if you have a child who becomes symptomatic, COVID positive, or has been determined to be a close contact to a positive case, please notify your school nurse.

As of now, winter sports are on hold. We are awaiting further guidance from IHSA, as well as IDPH, but we are hopeful that we may be able to begin some very limited practices.

I appreciate your patience and your understanding as we work to get back to in-person learning.

Sincerely,

Steve Stein

November 19, 2020

Dear PHS Families and Staff of Peotone 207-U,

As you may be aware, during the Governor's press conference Tuesday he announced further restrictions, for the entire state, to help slow the spread of the virus. Because of the decision to move to Tier 3 mitigation, we are unable to move forward with winter sports or any type of practices at this time.

To maintain compliance with the most recent mitigations issued by Governor Pritzker that take effect on November 20, the IHSA Board issued guidance to pause all IHSA winter sports and activities by November 20.

"All IHSA sports and activities will cease by November 20 for what we hope is a short-term pause," said IHSA Executive Director Craig Anderson. "Given the rising COVID-19 cases in our state and region, we support the Governor's mitigations and believe it is imperative for everyone in the state to do their part in following them so that we can return to high school sports participation as soon as possible."

We will keep you posted regarding changes.

Sincerely,

Steve Stein
