

Peotone High School Announcements - January 22, 2019

- ❖ Peotone High School is celebrating National "Hi, how are you day" today! A simple question like "hi, how are you?" can start a meaningful conversation with a friend or family member. Encouraging others to open up about mental health is a powerful gesture that can change lives. You may have noticed that you were greeted by a group of student council members this morning, passing out a tag for each student to wear so that each of you are able to show your support! Uplifting flyers have been hung around the halls of PHS today. We encourage each of you to ask a friend, neighbor, or teacher how they are doing! One small act of kindness can make someone's day!
