Dear Parent/Guardian:

In order to improve the flow of communication and increase participation in PHS events throughout the year, the PHS Guidance Department will be using “Remind” to send important information by text to your student. This will allow the school counselors to communicate more effectively with each class using their cell phones. There are several teachers currently using this program so your student may be familiar with it. PHS will also continue using Facebook, Instagram, daily announcements and emails to convey information to the students.

Your student will be able to voluntarily sign up this Fall with their school counselor. Parents and guardians are also encouraged to sign up. Texts will be limited and sent on an as needed basis. Some examples of the information being sent will include the following: college representative visits to PHS, Guidance Department events and presentations, important meeting dates and deadlines, and scholarship information.

If you would like to sign up, please find your student’s graduating year, and text the corresponding code to 81010.

Class of 2020	@c37c7c
Class of 2021	@fbc7fh
Class of 2022	@9kg76f2
Class of 2023	@h7494d

Example:

If your student is a senior (Class of 2020), on your phone, send a new text message to 81010 and in the message line add @c37c7c. You will receive a welcome message back from Remind.

If you have any questions, please feel free to contact your student’s counselor.

Thank you for your cooperation and we look forward to a great 2019-2020 school year.
